History

	Originally called GANCIA and built for Mr Desoutter according to Bates Worksheets.
	No other early history.
	Owned by C Adams.
	Purchased by Barry Angus, the present owner. Boat had been unused and neglected for 2 years. Extensive restoration and refurbishment by Barry Angus.
	Moved to the coast. Used extensively at sea. Barry sings the praises of the boat out in force 10 seas in 50ft waves with lots of confidence. Barry puts it down to the design of the hull, deep straight keel and round bilge.
Aug 2022	Now owned by Becky and David Angus. Per Becky: "We are on the Hamble at the moment. She's currently out the water and my husband is doing work on the hull at the minute as she needs lots of love."
